Team Sheltowee hikes Friday to Sunday. Friday night camping options will be determined prior to hike and announced to those registered. The shuttle on Friday most times is set for late morning. The hike leader attempts to divide the miles into thirds if possible. Team Sheltowee may or may not camp with the other team - depending on miles hiked on that Saturday. The 5 pound drop is not in effect generally for Team Sheltowee.

The hike schedule is subject to change depending on trail conditions. Participants will be notified of any changes by text or email.
