

## Sheltowee Trace Association Board of Directors Nomination

Dear Current or Prospective STA Board Member:

Your name has been submitted to the STA Leadership Team as a potential member of the 2019 Board of Directors. Please thoroughly review the attached information outlining the “Duties and Responsibilities” of a Board member before making your decision to stand for election/reelection to this important position.

Board members are elected to one-year terms by a simple majority of association members present for our Annual Meeting, to be held this year on **Saturday, December 1, 2018**, in Livingston, KY. Nominations for Board members will be accepted through close of business on **Friday, November 30, 2018**. Although you do not have to be present to be elected, we hope that you can attend so our members have a chance to get to know you better.

Since its founding in 2009, the Association’s efforts to “Protect, Preserve and Promote” the 323-mile Sheltowee Trace National Recreation Trail have continued to increase.

- We currently have nearly 600 members.
- We are actively working to extend both the Southern Terminus and the Northern Terminus.
- We have fostered working partnerships with both the Daniel Boone National Forest and the Big South Fork National River and Recreation Area.
- We have on-going trail maintenance, bridge replacement, and other construction projects planned that will enhance a visitor’s experience.
- We are actively working to turn hard-surface road miles into wooded miles.

We have created Work Groups to assist the Board in meeting its obligations and responsibilities to the organization. On the attached nomination form, you will be asked to select which one (or more) of these Work Groups best fits your talents and interests. These groups work between Board meetings to further the mission of the STA. Your faithful service as a Board Member is essential for the STA to overcome the challenges of the STNRT and for our organization to continue to grow.

Thank you for considering a position as a Board Member of the STA. Should you have any questions, please feel free to contact either one of us.
